Subject: No AFG Spring Convention in 2025  
To: AFG24 FC <[afg24fallconv@gmail.com](mailto:afg24fallconv@gmail.com)>

We regret that there will not be a Spring Convention this year. We have not been able to reach an agreement with Washington College in Chestertown to provide us with the facilities that we are accustomed to for a Spring Convention. The prices they proposed were significantly higher than in the past for less access to their facilities, and they were not willing to provide meals from the cafeteria unless we guaranteed an unrealistic number of attendees.

Reluctantly, the committee has decided not to hold a convention in 2025. We have contacted a number of other colleges, but they are not able to host our convention on such short notice.

You can help us narrow our search for a new location by answering a few questions in a survey. [Link to Survey](#)

Please respond by April 30. You can also email any suggested locations to consider that you are familiar with to [MDDCSpringCon@Gmail.com](mailto:MDDCSpringCon@Gmail.com).

We hope to see you at the Fall Convention in Baltimore and at our new location in 2026.

The Spring Convention Committee
