

Notes from October 2025 meeting of AIS - last meeting 2025

Suzanne R joined us from the Area to share her Al-Anon journey which has brought her to the Area 24 Outreach Coordinator position. By attending regular meetings hosted by other public outreach coordinators through WSO, she's learned that there is always help for those who ask.

The group reviewed expenses and actual cash to determine whether to send in a donation to WSO. A donation will be sent in the end of December.

AIS had some difficulty with checks made out to an abbreviation of our name and whether the bank was willing to accept them. Most of the groups have done as requested:

Make checks to AL-Anon and Alateen of the Mid Chesapeake Region AIS

Send to: Mid-Chesapeake Region AIS

PO Box 763 , Severna Park, MD 21146

AIS is very open to sharing with other groups the need groups might have for support. If your group is experiencing lack of participation, please let us know and we will spread the word.

Our Outreach group worked diligently at various events to support Recovery month in the area as well as attending events at North County and Broadneck High Schools. We could really use some new volunteers to join us in the programs that the Health Dept., Police Dept., and local recovery centers are working on. There are many opportunities to be of service on a one-time basis or more consistently volunteering to lead an event. Contact Lynne F at the website email.

We are looking for service positions to be filled on this group. We need a chairperson and a public outreach coordinator to join us in our effort to spread the word of Al-Anon and help friends and families of alcoholics. Come to an event and see what a difference you make.

Next regular meeting January 21, 2026 via Zoom
